Dear Studio One Dance Families:

Enclosed you will find our 2009 fall schedule with our registration form on the back of the schedule. **ALL RETURNING STUDENTS MUST RE-REGISTER FOR FALL- NO EXCEPTIONS!** Please make sure you include your e-mail address, as we will be contacting you via e-mail this upcoming season. Registration forms must be **FILLED OUT COMPLETELY AND RECEIVED WITH a \$50 deposit** to be applied to your September tuition **NO LATER THAN AUGUST 15<sup>TH</sup>** to insure you a spot in the classes of your choice. After August 15th, classes will be opened up to the general public. Class size is limited so **DO NOT DELAY- CLASSES FILL UP FAST!** \*

Studio One is pleased to ONCE AGAIN offer a **Flat Rate Scholarship Program** for our more serious dancers. If your child is a student who takes 5 classes or more, please take a look at the back of this sheet for more information regarding this program. Also, our **gifted program** was another huge success, and we are excited to be offering a gifted class 1-2, as well as a gifted class 1 for our new selection of gifted students. Selected 9 to 13 year old students will have the opportunity to work with our upper-ended teachers on a “fast track” approach to technical improvement.

Our website [Studioonedancelv.com](http://Studioonedancelv.com) is now updated with our fall schedule and other important forms for your convenience. We hope it once again will assist parents and students in communicating more efficiently with our office staff and teachers, as well as allow paper work such as adds and drops, schedules, rules, etc to be downloaded for your convenience. If you have pictures and/or video links from last year, please send them directly to our web-master listed under “contact” on our website. As usual, we have some great new classes being offered for all levels so take the time to look over the entire class schedule before making your choices.

Enclosed you will also find our schedule of holidays and our rules and policies for the upcoming year. Should you have any questions about any of the above, please feel free to call us and we will do our best to answer all of your questions and concerns.

We hope to see great progress in our young dancers this coming season. With consistency in classes, and emphasis on correct technical training, we know that all students can reach for the stars!

***\*REGARDING LEVEL OF CLASS: If your child has missed more than 2 months of classes, they must be placed in the level they were in prior to their break unless otherwise specified by a teacher. If we feel a child is put in the wrong level, we will switch them right away. If you have questions, please look at the guidelines posted on the bulletin board or call and leave a message for their teacher. Unlike school, students do not “automatically move up a level” at the beginning of the year. They move up at ANY time during the year depending on skills mastered, the number of classes they are attending as well as consistency, their focus, body development, etc . PLEASE NOTE: MOST STUDENTS WILL STAY IN THE SAME LEVEL FOR TWO YEARS OR MORE!***
